PRELICENSURE CONSENT ORDER

WHEREAS, Anthony Graham of New Britain, Connecticut (hereinafter "respondent") has applied for licensure to practice as a registered nurse by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 378 of the Connecticut General Statutes, as amended; and,

WHEREAS, respondent agrees that:

1. The Department has at no time issued respondent a license to practice the occupation of registered nurse under Connecticut General Statute Chapter 378.
2. By order of the Maryland Board of Nursing dated April 26, 1994, his license to practice as a registered nurse was reprimanded.
3. By the conduct described above, respondent committed acts that constitute grounds for the denial of his/her application for licensure pursuant to §19a-14 of the Connecticut General Statutes.

NOW THEREFORE, pursuant to §19a-14 of the Connecticut General Statutes, respondent hereby stipulates and agrees to the following:

1. That he waives any right to a hearing on the merits of his application for licensure.

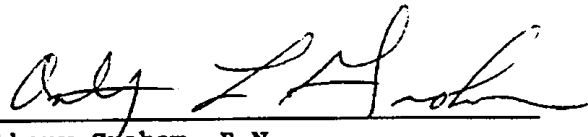

2. That after satisfying the requirements for licensure as a registered nurse, as set forth in Chapter 378 of the Connecticut General Statutes, respondent's license to practice as a registered nurse will be issued.
3. That his license to practice as a registered nurse in the State of Connecticut shall immediately upon issuance, be placed on probation for one (1) year under the following terms and conditions: *3/22/96-3/22/97*
  - A. Respondent shall provide a copy of (1) this Prelicensure Consent Order and (2) the Findings of Fact, Conclusions of Law and Order of the Maryland Board of Nursing, to his employer. If respondent has more than one employer during the probation period, respondent shall provide a copy of said documents to each such employer.
  - B. Respondent's employer(s) shall provide written confirmation to the Department of receipt of such documents within 15 days of commencement of respondent's employment.
  - C. During the first four months of the probation period, respondent *By 7/6* shall provide evidence to the Department that he has satisfactorily completed a course, to be designated by the Department, on the subject of proper nursing documentation.
  - D. Respondent shall be solely responsible for all costs associated with participating in said course.
4. That in the event respondent is unemployed for periods of thirty (30) consecutive days or longer, or is employed less than twenty (20) hours per week, respondent shall so notify the Department in writing. Such period(s) shall not be counted in reducing the period covered by this Prelicensure Consent Order.

5. That respondent shall comply with all state and federal statutes and regulations applicable to his license.
6. That respondent shall notify the Department of any change(s) in his employment within fifteen (15) days of such change.
7. That respondent shall notify the Department of any change(s) in his home and/or business address within fifteen (15) days of such change.
8. That any deviation from the term(s) of this Prelicensure Consent Order without prior written approval of the Department shall constitute a violation. A violation of any term(s) of this Prelicensure Consent Order shall result in the right of the Department in its discretion to immediately deem respondent's registered nurse license rescinded. Any extension of time or grace period for reporting granted by the Department shall not be a waiver or preclude the Department's right to take action at a later time. The Department shall not be required to grant future extensions of time or grace periods. Notice of the rescision of the license shall be sent by the Department to respondent's address of record. Respondent waives any right to a hearing on the issue of violation of the terms of this Prelicensure Consent Order.
9. That correspondence and reports required by the terms of this Prelicensure Consent Order are to be addressed to:

Department of Public Health  
150 Washington Street  
Hartford, Connecticut 06106

10. That legal notice shall be sufficient if sent to respondent's last known address of record reported to the Licensure and Registration Section of the Division of Medical Quality Assurance of the Department.
11. That he understands that this Prelicensure Consent Order may be considered as evidence of the above-admitted violations in any proceeding before the Connecticut Board of Examiners for Nursing in which (1) his compliance with this Prelicensure Consent Order is at issue, or (2) his compliance with §20-99 of the Connecticut General Statutes, as amended, is at issue.
12. That this Prelicensure Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Prelicensure Consent Order is not subject to appeal or review under the provisions of Chapters 54 and 368a of the Connecticut General Statutes, provided that this stipulation shall not deprive him of any other rights that he may have under the laws of the State of Connecticut or of the United States.
13. That this Prelicensure Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
14. That this Prelicensure Consent Order is effective when accepted and approved by a duly appointed agent of the Department.
15. That he understands this Prelicensure Consent Order is a matter of public record.
16. That he understands he has the right to consult with an attorney prior to signing this Prelicensure Consent Order.

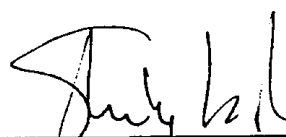

I, Anthony Graham, R.N. have read the above Prelicensure Consent Order, and I agree to the terms and allegations set forth therein. I further declare the execution of this Prelicensure Consent Order to be my free act and deed.
